NEW GUY	KIRAN RANE

Weekly Accomplishments

- Form a Weekly Meeting Time

We worked out a time that all of us are available to meet during the week. This time also works with our faculty advisor.

- Establish Plan for the Next Step of the Project

With a lot of administrative work going on during the summer, we needed to get everyone on the team caught up.

Next Week's Objectives

- Get NDA approved and signed
- Get SynerGi install on a campus computer
- Establish a new position for Kiran

Pending Issues

- ETG is not responding to emails about software installation.
- NDA is caught up with the Iowa State COE attorneys.
