Weekly Accomplishments

- Signed More Legal Docs

We needed to sign more releases in order to establish cooperation between Alliant and ISU.

- Met with 491 Group

We met with a 491 group to discuss our project and how it was progressing

- Discussed Ways to Model

We discussed ways to model our solution such as Simulink, P-spice, etc.

Next Week's Objectives

- Work on shortening presentation
- Conference call with Darin
- Model solution
